

Privacy Policy

Key details

This website privacy policy describes how R.K.J. Adams and Rowham Morrex Publishing protects and makes use of the information you give the company when you use this website. If you are asked to provide information when using this website, it will only be used in the ways described in this privacy policy. This policy is updated from time to time. The latest version is published on this page. This website privacy policy was updated on 28th April 2022. If you have any questions about this policy, please email rkjadams@gmail.com.

Introduction

This website gathers and uses certain information about individuals in order to provide products and services and to enable certain functions on it. It also collects information to better understand how visitors use this website and to present timely, relevant information to them.

What data is gathered?

The website may collect the following information:

- Name
- Email address
- Postal address (if you place an order)

How is this data used?

Collecting this data helps to understand what you are looking for from the company, enabling the website to deliver improved products and services.

Specifically, data may be used:

- To contact you in response to a specific enquiry
- To send you promotional emails about products, services, offers and other things that might be relevant to you
- To send you promotional mailings or to call you about products, services, offers and other things that might be relevant to you

You may unsubscribe from email communication at any time by clicking the Unsubscribe link in any email message from us.

Payment data

Payment processing is provided by a secure third-party payment services provide, Wix Payment and PayPal. At no time is any private payment data such as credit card numbers, expiry dates or CVC numbers given to, visible to, or stored by R.K.J. Adams.

Cookies and how we use them

What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables the website to identify your computer as you view different pages on the website. Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable information for R.K.J. Adams to establish how many people use the website and what pages they tend to visit.

How cookies are used

Third party cookies from the payment processing provider Wix Payment and PayPal to:

- enable secure credit card transactions
- identify the type of device being used to access the site

Controlling cookies

You can use your web browser's cookie settings to determine how the website uses cookies. If you do not want the website to store cookies on your computer or device, you should set your web browser to refuse cookies. However, please note that doing this may affect how the website functions. Some pages and services may become unavailable to you. Unless you have changed your browser to refuse cookies, the website will issue cookies when you visit it. To learn more about cookies and how they are used, visit All About Cookies.

Controlling information about you

R.K.J. Adams and Rowham Morrex Publishing will never lease, distribute or sell your personal information to third parties unless she has your permission, or the law requires her to. Any personal information held about you is stored and processed under the data protection policy, in line with the applicable regulations.

Security

Your information is held securely. To prevent unauthorised disclosure or access to your information, strong physical and electronic security safeguards have been implemented. Stringent procedures are followed to ensure all personal data is used and worked with in line with the applicable regulations.

Links from the website

The website may from time to time contain links to other websites. Please note that R.K.J. Adams and Rowham Morrex Publishing has no control of websites outside her domain. If you provide information to a website to which is linked, R.K.J. Adams is not responsible for its protection and privacy. **Always be wary when submitting data to websites. Read the site's data protection and privacy policies fully.**
